The screenshot shows a Zoom meeting interface in Google Chrome. The browser title is "LMS Electrical Engineering Group (Sharing) - Google Chrome" and the address bar shows "Not secure | vl.mohajertc.ir/et99/?launcher=false". The Zoom toolbar includes "Meeting", "Layouts", "Pods", "Audio", and icons for mute, video, gallery view, and help. The main area is divided into "Share" and "Video" sections, both showing a greyed-out placeholder. A notification pop-up on the right states "1 person would like to enter the room." and provides options: "Allow Everyone", "Deny Everyone", and a list of participants including "765438 (guest)" with a checkmark and a close button. An "Allow" button is visible at the bottom right of the notification.

توجه: اگر فایل Power Point با نرم افزار کیبورد فارسی تایپ نشده باشد و صرفاً با زبان فارسی ویندوز نگارش شده باشد، اگر آن فایل را به اشتراک بگذارید جملات بهم ریخته خواهد بود. لذا پیشنهاد می شود صفحه نمایش خود را به اشتراک گذاشته و سپس فایل Power Point را روی سیستم خود (بدون اشتراک گذاری فایل) نمایش دهید. استفاده از ابزار لیزر نرم افزار Power Point بسیار مناسب است.

The image shows a screenshot of a virtual whiteboard interface. The main area is titled "Whiteboard 40" and contains several hand-drawn elements: a green arrow pointing right, a red arrow pointing right, a yellow 'X' inside a green circle, a grey checkmark, and a red star. A toolbar on the left side of the whiteboard includes various drawing tools like lines, shapes, and eraser. The top of the interface has a menu with "Meeting", "Layouts", "Pods", and "Audio". On the right side, there is a sidebar with sections for "Video" (with a "Start My Webcam" button), "Attendees (1)", "Active Speakers", "Hosts (1)" (listing "LMS (ECE)"), "Presenters (0)", "Participants (0)", "Chat (Everyone)" (with a message from "LMS (ECE): سلام"), and "Collabo...". The bottom of the interface shows a navigation bar with a zoom level of 100%.
